Location

Ings Mill is situated with a substantial frontage to the extremely busy main A652 Bradford Road only a short distance from Batley Town Centre and approximately 2 miles to the north west of Dewsbury. The A652 Bradford Road links Dewsbury with Bradford, via Birstall, and allows access to the majority of main arterial routes serving the North Kirklees/Heavy Woollen district.

'Batley's Golden Mile' continues to have significant pub/leisure operators although the former Batley Variety Club/Frontier is now occupied by JD Gyms and a new Starbucks drive thru is adjacent. Ings Mill is immediately next door to the extremely successful Redbrick Mill with occupiers including Neptune.

The A652 Bradford Road connects with the A62 Leeds Road less than 2 miles to the north and provides direct access to J25 and J27 of the M62 (at Brighouse and Birstall respectively). These junctions of the M62, along with J26 at Cleckheaton, are within a 7 mile radius and J40 of the M1 is within 10 miles.

Description

Ings Mill comprises former recycling premises including two single storey buildings on a large prominent site mostly recently used for storage.

Externally Ings Mill does benefit from a part surfaced yard providing excellent onsite storage, vehicle parking and circulation space.

The new owners of the site are reviewing the sites redevelopment potential for a variety of possible uses hence the site is available on a short term flexible basis. However the landlords intention is to develop the site and applications from strong covenants on long term leases will also be considered (subject to any requisite consents).
